01. A Sweet Bird Song

(Music and Text: Ben van Haeff)

One little bird sitting in a tree
Singing the sweetest little melody

One little bird sitting in a tree
Along came another and then there were
One, two
Two little birds sitting in a tree
Singing the sweetest little melody

Two little birds sitting in a tree
Along came another and then there were
One, two, three
Three little birds sitting in a tree
Singing the sweetest little melody

Now the sun did shine for all to see
The sun did shine for you and me
For the flowers and the trees
For the rivers and the seas
For the birdies and the bees

For the animals big and the animals small
The sun did shine for one and all
So if you're feeling happy
Won't you sing with me
We'll sing the sweetest little melody

Hello to you
You are welcome
And your friends are too

(Traditional; Music: Ben van Haeff)

Three little monkeys swinging in the tree
Teasing Mr. Crocodile
You can't catch me
Along come Mr. Crocodile
As quiet as can be
He went SNAP!
Now there's two little monkeys swinging in the
tree, two little monkeys looking, looking at me!

Two little monkeys swinging in the tree....
Now there's two little monkeys swinging in the
tree, two little monkeys looking, looking at me!

One little monkey swinging in the tree.....
Now there's no more monkeys swinging in the
tree, no more monkeys looking, looking at me!

Now the moral of the story as you can see
You don't tease a crocodile, you'll make him
angry
There's no more monkeys swinging in the tree,
the poor little things got eaten you see
But wait what can I see? Way up high, hiding in
the tree?
One, two, three..... three little monkeys looking
at me!

(Music and text: Ben van Haeff)

Down Under in Australia in the mid day sun
It's too hot to play and it's too hot to run
But when the kookaburra's sing
And the sun goes down
Yep that's when I'll be hangin' around
Coming out from underground
Looking for something to eat

I'm a wombat (do do do-ba-di do)
I'm a wombat (do do ba do-bi-di da)
I'm a wombat (do do do-ba-di do)
I'm a wombat (do do ba do-bi-di da)

I like to dig (dig dig digitty dig)
Dig, dig, dig (dig dig dig digitty dig)

I like to scratch (scratch, scratch, scratchitty
scratch)
Scratch, scratch, scratch (scratch, scratch,
scratch scratchitty scratch)

Now when I walk I wobble you see
Now some people think it's funny
But it don't bother me
I love it, it's just me
Yep, wombat!
You should give it a go
Wobble like a wombat

(Chorus)

Now I don't know how much you know about me
But I'm a marsupial you see
Just like a kangaroo or a koala too
We all have pouches at least the mummy's do
But you won't see me hanging in a tree
Nah! That's not me, I live underground were its
safe and sound

Down under in Australia in the mid day sun.....
Looking for something to eat

Some juicy grass, some roots

(Chorus)

19. We Care (One Life)

(Music and text: Ben van Haeff)

Down on the farm
With the great big barn
With the apple trees
For you and me
Where the sun does shine
Most of the time
Where the honey flows
And the gardens grow

(Chorus)

And we care, we care, we care
For the creatures that live there
For the animals big and the animals small
We care, we care, we care

For the rooster, the horse, the pig and the cow,
For the chicken, the duck, the goat
We care, yes we care
For the cats and the dogs and the rabbits and the
bees
For the donkey's and the sheep and the little
ponies
Yes we care, we care, we care
For the creatures everywhere

Down by the sea
The deep blue sea
Where the dolphins play
And fish swim free
Where the whales sing
Their ancient song
And the turtles roam
In their deep blue home

(Chorus)

And we care, we care, we care
For the creatures that live there
For the animals big and the animals small
We care, we care, we care

For the little fish, big fish, starfish, jellyfish,
sword fish, octopus, manta rays and squid
Yes we care
For the lobster, the crab, the seals and the eels,
The turtles, the dolphins, the whales and the
sharks, we care, yes we care
And we care, we care, we care.

Let's Go Animal: Ben van Haeff & Friends

For the creatures everywhere

Down in the forest
The deep green forest
With the trees grow tall
For one and all
See the mountains strong
Hear the sweet bird song
By the bubbling stream
I love to dream

(Chorus)

And we care, we care, we care
For the creatures that live there
For the animals big and the animals small
We care, we care, we care

For the spider, the squirrel, the lizard and the frog.
For the badger and the owl and the little hedgehog, we care, yes we care.
For the wolf and the fox and the eagle and the deer
For the worms and the beetles and the big brown bears, we care, yes we care.

(Chorus)

We care, we care, we care
For the creatures everywhere
For the animals big and the animals small
